Dear Trenton High School Senior Parents:

On behalf of the Trenton Rotary Club, I am writing to invite your graduating senior to consider applying for a Trenton Rotary Scholarship. The Trenton Rotary Club represents a group of local business men and women committed to serving various community, national and international needs. Our motto, "Service Above Self, embraces our efforts to service the community and the world. The club sponsors the Roar on the River boat races in July of each year along with participating in a variety of other community events each year.

The scholarship awards are granted in the name of Jack Castignola, a long time Trenton High School teacher and coach.

The application may be downloaded from the Rotary website, listed below, and saved as a word document. Please complete it in word, on your computer, then print a hard copy, sign and returned to the counseling office by **March 4, 2011**

<http://trentonrotary.net>

Please encourage your graduating senior student to consider this scholarship application process. The scholarship committee considers academic achievement and community activities to be important factors in the review process. While we ask for basic family information, nominal weighting is placed on this category.

Completed applications should be returned to the Counselors office by March 4, 2011. The awards will be announced at the Senior Class commencement ceremonies.

Thanks for encouraging your graduating senior to consider this scholarship opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Nykiel", with a stylized flourish at the end.
